

Technical data sheet

Dust protection plate, PG

Item number: 2028913

Cellular polyethylene.

Small protective disc to protect the V-TEC and V-TEC MS cable glands against dust before the cable is installed.

Application: the discs are pre-mounted between the cap nut and the seal. They do not need to be removed when the cable is installed, but are simply passed through to the interior with the cable.

Note: the discs do not provide any mechanical protection.
