Technical data sheet

Plastic corrosion protection strip

Item number: 2360055

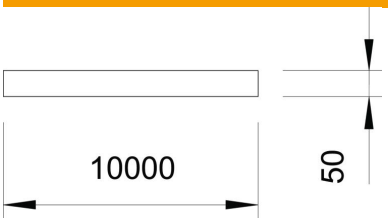

- Approx. 1.1 mm thick
- Width: 50 mm or 100 mm, made of petrolatum-coated chemical fibre fabric
- Can be processed cold

PETR Petrolatum

Master data

Item number	2360055
Type	356 50
Description 1	Corrosion protection strip
Description 2	Plastic
Manufacturer	OBO
Dimension	50mm
Colour	Brown
Material	Petrolatum
Smallest sales unit	1
Unit of quantity	Units
Weight	59 kg
Weight unit	kg/100 pairs

Dimensions

Length	10 000 mm
Length	10 m
Width	50 mm

Technical specifications

Type of accessory	Corrosion protection strip 50 mm
ROHS-conformant	yes
